A Note from Pastor Paola

There is neither Jew nor Greek, there is neither slave nor free, there is no male and female, for you are all one in Christ Jesus. Galatians 3:28

Our denomination as you may know, is undergoing a great deal turmoil, pain and uncertainty following the special session in February of General Conference where a small majority passed the “traditional plan”. This plan restricts even further the full participation of LGBTQ persons in the life of the church by continuing the ban of same sex marriage and ordination of LGBTQ persons.

This past Friday, April 26, the Judicial Council of the UMC (the church’s version of the Supreme Court), ruled on the constitutionality of the various parts of the Traditional Plan passed at General Conference the end of February. As expected, portions were deemed unconstitutional while others were deemed constitutional. Not very surprising! The next General Conference in 2020 will review the portions that were not conclusive.

Those who were hoping the Conference and the Judicial Council would vote to make the United Methodist Church a more welcoming place for LGBTQ persons and their families, are crushed and in a great deal of pain. And those who supported the Traditional Plan are unclear about the next steps. Some people who supported the traditional plan told me: “It doesn’t feel like a victory.” How can it be? We are fractured and broken more than ever.

I truly believe that the divisions in the denomination cannot be solved by the Judicial Council nor by any rules and law. This is a matter of a different interpretation of the scripture and a matter of the heart: a common ground can only be found, through conversation, listening, humility and prayer. Nevertheless, there have been very little of any of these in the past months.

What has happened in the last couple months is that a lot of people, both clergy as well as laity, who never spoke up openly about the subject and maintained a ‘centrist’ position began to speak up openly about welcoming fully LGBTQ persons and families in the church. They speak about their broken hearts as a LGBTQ family member cannot be fully welcomed in the church. They speak about the message we are sending to the young LGBTQ people who increasingly are at high risk to take their own lives. They speak about the growing number of young adult who leave the church because they feel it is judgmental and exclusive, getting further away from Jesus’ welcoming spirit.

So what now?

Let’s remember we are not alone. Most mainline denominations have been or are in the midst of this struggle. Just like any major change in the church (for instance the inclusion of women in full ministry) it takes time, courage to speak the truth, and prayer.

I see many parallels between our time and the early Christian church. The apostle Paul was struggling with many churches who were in the midst of great conflicts based on who should belong and who shouldn’t. There are crucial times in history, ‘Kairos’ times when differences and conflicts need to come to a decision and to action. I believe this is one of them.

(continued on back)

It is very possible the United Methodist church will change in the next few years. My hope is we can remain united by allowing the local conferences to make a decision on this matter. It is also possible that one side will leave, or the denomination will dissolve giving birth to two or three new expressions of Methodism out of the one denomination.

Meanwhile...

- We continue to be in ministry. Our faith, our service, our hope in Christ save lives, bring love and compassion to many. Remember we have a higher calling that cannot be put on hold.
- We continue to warmly welcome all God's children at Salem as we always did. Remember, before anything else this is God's church.
- We continue to study and learn from the early Christian church how to become a faith community where everyone belongs (Galatians 3:28), because Christ gave his blood on the cross to reconcile **everyone** to God. He made of the two, one. He is our Peace.
- I am hopeful even though I don't know the final outcome, because the future belongs to God.

Please join us on Sunday, May 12, after church as we will have a session in the fellowship Hall to understand better what is happening and open a conversation.

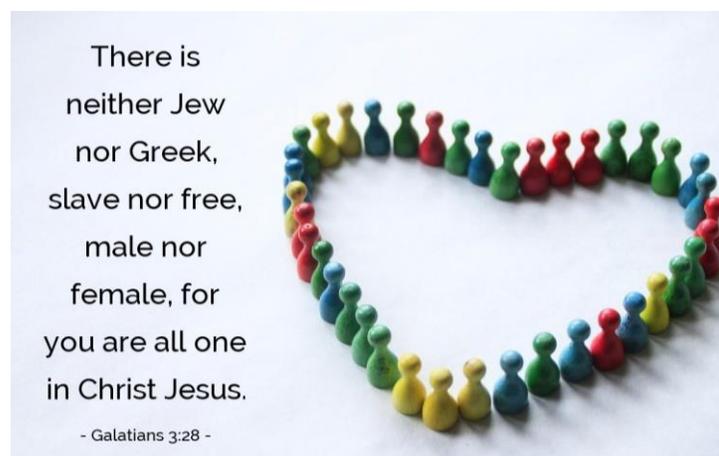

Finally, I want you to know I remain the pastor of everyone, no matter where you stand on this or other issues. As your pastor, I'll care for you, pray for you and love you just as you are. Nevertheless, as your pastor, I will never stop to challenge you to get closer to God, to let go of your old ways and grow in love and compassion toward your neighbor.

And so to be clear, this challenge begins with me.

See you in church,
Blessings,

Pastor Paola

🎵 All you need is...

We need love to live.

Love is the most powerful, transforming force ever known. Nevertheless, being compassionate and loving is often a challenge. Jesus, who was the most compassionate and loving person ever existed, reminds us that love is a lot more than a feeling: it is a way of life, a commandment, a choice we need to re-make every day.

June 23 Love the Lord your God

How can we learn to love others the way they need to be loved? **Luke 15:11-31**

KWIK TRIP CARDS

Please sign up in the narthex for your Kwik Trip cards. The profits from both the card purchase and purchases made in store with the card provide funds for use in the church. Most recently these profits paid to have all the upholstered chairs in the sanctuary cleaned and sanitized. Please consider supporting this project!

NEWS FROM THE OUTREACH TEAM

Thank you, Salem, for your generous outpouring of donations for Mujila Falls. **Our third annual Pie Day** brought in \$780, surpassing last year's donations! This money will be used to start building a dormitory for all who come to Mujila Falls Agriculture Centre to learn from Temba and his staff. Temba is helping others learn to help themselves through education in health, agriculture, community development, evangelism and church construction. Your contributions to this project were MUCH appreciated!

Wisconsin Annual Conference Ingathering

Ingathering is a way that United Methodists support people who are in need. Salem collects for this cause every year prior to the annual June conference. This year we are seeking monetary donations to purchase **Personal Hospitality Kits for Wisconsin Conference Agencies and Projects: Harbor House, Northcott, UM Children's Services and Solomon Outreach.** Included in these kits are personal items such as: toothpaste, toothbrush, soap, shampoo and deodorant.

We will be collecting funds until June 9. Please write the word Ingathering on your offering envelope. Thank you for your support and willingness to help others who have great need.

FRESH FRUITS AND VEGGIES FOR THE FOOD PANTRY!

DID YOU KNOW? The Food Pantry takes garden fresh fruits and veggies?! This allows the clients to select much needed fresh items during the summer season. So, all you gardeners out there, how about planting an extra plant or a whole row of veggies just for the Pantry! Sure would be appreciated. **Please note:** fresh garden items need to be delivered directly to the Pantry NOT to Salem.

Tales from the Trustees

Carpeting for the Youth Room

Don't look now, but sometime during the week of May 6th, carpet squares and vinyl baseboard will be installed in the Youth Room, completing the decorating project which reflects the pride of the ownership that the youth have taken in "their" space.

Busy Machines & Flying Dirt The moment has arrived!

Construction has begun in earnest on the land which we sold to New Perspective Senior Living. Trees and brush are gone, silt fencing and security fencing have been installed around the perimeter of the site, topsoil is being stripped, and the construction of their driveway is in progress. If all goes as planned, construction should be completed and occupancy should occur in the summer or fall of 2020.
