***News from Marie...***

As our 2013-2014 year comes to a close, I would like to thank all who have volunteered their time to help with craft, the story, and donating snack items. Your time and support of our church school program are so appreciated. I would also like to thank Steve Broege for leading our Senior High class again this year and Brenda LoPresti for being our Church School Superintendent. You are truly a blessing to our children and youth at Salem.

Please look for our Education Fair in August where you will see all of the opportunities being offered in 2014-2015. We will outline our church school program with some exciting changes, classes for adults, study opportunities, plus much more. Please watch the Announcement Page and Tidings for more information throughout the summer.

As we take our summer off to renew and refresh, I pray that all of our families will spend time reading the Bible together, reviewing the scriptures we have talked about in church school, and signing up for VBS (June 22-26 from 6:00-8:30 PM). We will also set a couple of times to get together over the summer to catch up and get ready for our new church school year, which will begin on Sunday, September 7th.

Have a wonderful summer-  
Marie

This will be a most interesting and informative evening. More details will follow but be sure to **SAVE THE DATE!**

*At the Mujila Falls Agriculture Centre: Local school boys learn to use oxen to cultivate large fields of Corn. They earn their tuition and spending money for their next semester of school and also learn a very useful skill.*

### Wisconsin Annual Conference

The Wisconsin Annual Conference of the United Methodist Church will be held June 20-23 at the Madison Marriott West in Middleton, Wisconsin.

Attending Annual Conference from Salem will be: Pastor Jorge, Kim Newton (Lay Member to Annual Conference) and Rick Andrus (Alternate Member). At this Annual Conference we will celebrate missions, grow through Bible Study, ordain and commission clergy, elect delegates to General and Jurisdictional Conferences, recognize retirees, learn from speaker Jim Griffith and take home new ideas and strategies from Learning Day workshops.

This year we'll celebrate a year of preparing the soil and begin to sow the seeds of the fruit of the Spirit. Please keep Annual Conference Clergy and Lay Members in your prayers.

### What Makes a Dad

God took the strength of a mountain,  
The majesty of a tree,  
The warmth of a summer sun,  
The calm of a quiet sea,  
The generous soul of nature,  
The comforting arm of night,  
The wisdom of the ages,  
The power of the eagle's flight,  
The joy of a morning in spring,  
The faith of a mustard seed,  
The patience of eternity,  
And the depth of a family's need.  
Then God combined these qualities,  
And when there was nothing more to add,  
He knew His masterpiece was complete,  
And so, He called it...Dad.

### RELIGIOUS DEMOGRAPHICS OF WAUKESHA COUNTY

(Presented at the Church Council Meeting, May 19, 2014)

- 2013 Population of Waukesha County: 393,843
- Median age of residents: 42 years old
- Persons 65 years of age & over: 15.3%
- Persons under 18 years of age: 23.0%
- Percentage of population in Waukesha County who say they are affiliated with a religious congregation: 66.85%

***This means 1/3 of Waukesha County residents do not affiliate themselves to any religious congregation.***

\*Of the two thirds claiming an affiliation, this is the percentage of each denomination they adhere to:

*(Adherence in this context basically means they see themselves as a follower of, supporter of, or associated with a particular religion. That does not mean they are active members or attendees. Of those whom claimed to have a religious affiliation, this is the religion with whom they claimed to "adhere" or associate themselves.)*

- Mainline Protestant Denominations: 19.7%
- Evangelical Churches: 22.8%
- Catholic Churches: 55.9%
- Orthodox Denominations: less than 1%
- Other Denominations: 1.6%

There are 14 United Methodist Church congregations in Waukesha County. **Only 3% of residents in the county claim to adhere to the United Methodist Church.**

*\*These figures are based on statistics from the year 2002. We can assume, based on trends, the number of Evangelical Church's attendees will have grown and the Mainline Protestant Denominations will have lost membership during the past decade.*

**What does all of this mean to Salem UMC?** That is a good question to ponder. Certainly, times have changed the face of the religious demographics in Waukesha County, in our state, and in the country.

Speak with Kermit Bohning for more information. Also, visit this website:
