October 2019

#### A Note from Pastor Paola...

"Out of the mouth of babies and infants, you have established strength because of your foes, to still the enemy and the avenger." Psalm 8:2

A few days ago, perhaps some of you watched a young girl speaking her heart out at the United Nations Climate Action Summit. Her name is Greta Thunberg, she is 16, and comes from Sweden. She was diagnosed with Asperger Syndrome, yet she does not view her Asperger's as an illness. She has instead called it her "superpower".

A few years ago, Greta began by asking her family to make changes in their lives to protect the environment. And now she is speaking to the nations and leaders asking that changes be made to preserve the world for the future of the new generations. She is not really part of any movement, but she has been inspiring many other children and youth to let their voices of worry and even despair for the future of earth been heard. They call it the "Greta Thunberg effect".

Greta and her pain truly touched my heart. She has been reminding me how God in the Scriptures has been speaking through children and youth to reach the heart of grown- ups:

- Young little David that showed to his people the need to use courage against the Goliaths of our lives
- Young Jeremiah who called to speak the truth to the people who walked away from God
- The little servant girl in 2 Kings, chapter 5, who was filled with compassion for the people around her
- The little boy who gave up his lunch of bread and fish so that the crowd could be fed
- The young teenager Mary, who became the mother of a child that would change the world

God blesses children, and speaks his truth toward children.

We are called as parents, grandparents and spiritual parents to create a safe space for them where they can grow in spirit and faith. There is no better place than church for our children. Let God touch and transform your heart through the little ones in your life, because to them belong the kingdom of God.

Blessings,

#### New Adult Class Begins Oct. 6

# World Religions

There are 5 main religions in the world. We may have neighbors, co-workers, and friends of these different religions, but we usually know very little about what they believe. The fear and ignorance about people who have faith different from ours have brought, and continue to bring, a great deal of violence, conflict and war, near and far. We will welcome among us during Adult Sunday School (10:30-11:30 AM) leaders of the five main world religions to teach us about their beliefs, the way they worship, and how their faith leads them to live and make choices in everyday life. We will also have the

October 6 Guest: Shelby Perez. We will begin with an introduction to our class and continue with an Interfaith Dialog with our quest.

opportunity to ask questions of our quests.

The Salem Building Team would like to thank all the members of Salem who attended the

Listening Sessions this summer. It was good to hear your concerns, hopes, and visions for our church. We appreciated the feedback.

At the second Building Committee meeting, we used the information from the Listening Sessions as well as the data collected from the three churches that our team visited that were recently renovated or newly built (Nativity of Our Lord in Rhinelander, Evangelic and Reformed United Church of Christ in Waukesha, and Gethsemane UMC in Pewaukee). We also took into consideration the information gathered from the walk-through of Salem by our new members and regularly attending visitors to begin the process of identifying our priorities for our church. The individuals/couples who did the walk through presented new insights that were very helpful. Fresh eyes see many things that we have just learned to live with. We thank them for their time and honesty.

Identifying these priorities will not always be easy or a quick task. It will take time, patience, and compassion to make these important decisions. Keep us in your prayers. Our next meeting is scheduled for early October.

### **Undie Sunday Results**

Congratulations Salem! Last year we donated 633 items of underwear to the Hope Center and that was amazing! However, this year Salem donated 248 items and with monetary donations of \$381 (and smart shopping) our grand total became 899 items. This is the largest amount of underwear we have ever given to Hope Center! Your generosity will go far to help the needy in our community! Thank you so much!

With the help of our Youth Group, the Outreach Team will be preparing

Personal Hygiene kits for the local homeless community. The kits (\$10 each) will contain shampoo, deodorant, a bar of soap, toothbrush, toothpaste, wash cloth and comb. We will need one-gallon freezer bags to

hold the kits. Outreach will be purchasing the combs

and washcloths but would appreciate help with the rest of the items. The deadline to bring in your items or monetary donation is

October 13.

### **Healing Hearts News**

Healing Hearts offers 12-week family programs, guided by trained volunteers, to help work through the grieving process with other experiencing similar losses. They are currently expanding their program to give families an opportunity to meet with First UMC in Waukesha has a grief counselor. provided a classroom for this purpose, and Healing Hearts has been seeking donations to transform the room into a safe comfortable space for the families. In creation of the Healing Hearts "Family Room," it will offer families additional opportunities to mourn their losses with a grief counselor. If you wish to help, you can go to their website to donate. There are also opportunities to "adopt a grieving child." More information can be found on the kiosk.
